

**Overview**

In addition to Wind and Hail deductible buy down policies we can also offer Difference in Conditions wrap-around or Difference in Limits cover, or a combination of both.

There can be many situations when a sub limit for a specified peril has been reduced in the main programme or deleted entirely but where the Insured wishes to have cover.

**How can we help**

Our broking team can design tailored policies to satisfy your Insured's requirements and/or budget. The more you direct us regarding the structure the better as every account is individually negotiated on its own requirements.

**Limits**

Up to USD20,000,000+

**Target Industries**

All

**TIV**

USD30M+

**Minimum Premium**

USD75,000

**More challenging risks**

Business Interruption only top ups

**Markets**

Lloyds – we have at least 2 active lead underwriters and a cast of supporting underwriters.

**Submissions**

Please send us details of the situation, underlying or overlying structure/policy, SOV and 5 year loss record.
