

**Overview**

London has been a strong leader in this class, especially after 2001. There is plenty of capacity in the London market for this class and due to the competitive nature of the business we prefer to only offer this product in conjunction with a property placement.

**How can we help**

Our broking team can design tailored policies to satisfy your Insured's requirements and/or budget. The more you direct us regarding the structure the better as every account is individually negotiated on its own requirements.

**Limits**

Up to USD500,000,000+

**Target Industries**

All

**TIV**

USD500M+

**Minimum Premium**

USD50,000

**Challenges**

Metro areas due to aggregation

**Markets**

Lloyd's and London companies, Bermuda.

**Submissions**

Please send us the full SOV and 5 year loss record.
